## LETTER OF COMMENDATION

It is to certify that **Mr. GRZEGORZ MAREK** as a Project Manager, **Mr. MIROSLAW GUMOWSKI** as a Mechanical Coordinator and **Mr. MAREK CHOROSZYNSKI** as a Electrical Coordinator, actively participated in the assembly of the **Rieter** Open End Spinning machines between 01.07.2008 and 31.07.2008 at our factory Mozaffar Hossain Textile Mills Ltd. Located in Dhaka, Bangladesh.

On behalf of **M/S. TEMA Textilmaschinen GmbH & Co. KG**, Germany they have conducted the work under the supervising of Poland-based company **MESTIL** and have done the assembly of the production plant and equipment as required.

They had a significant impact on the correct assembly of the production line and its commissioning. They performed their duties diligently and accurately. We also recommend that they have completed their dedicated tasks accurately, which is also appreciated by the local technicians and supervisors of our **SIM GROUP, Dhaka, Bangladesh.**

We wish their every success and prosperity in future.

For Mozaffar Hossain Textile Mills Ltd.
